DEAR PIPA CLIENTS IN NORTH AMERICA

I wanted to personally take this opportunity to introduce myself to you our valued clients. My name is Andy Larentzakis and I am the official PIPA exclusive representative for both the USA and Canada. Together with my wife and two children I live in the Greater Toronto Area. I operate a very successful importing and exporting business for quality pigeons and have over the years developed a dedicated customer base in both Canada and the USA. I am extremely well versed in all matters relating to import and export procedures and am therefore in the ideal position to facilitate the needs of PIPA customers throughout the very important North American market.

(Andy Together with Erik Limbourg & Marc De Cock)

I have a great deal in common with the overall PIPA philosophy as both PIPA and I are truly passionate about exceptional racing pigeons. Over the coming months and years, together with and through PIPA I will be totally committed to providing fanciers throughout the USA and Canada the very “best of the best” that Europe has to offer. The PIPA team and I are always at your service. Whatever your needs or questions please feel free to contact me directly and if I do not have the information you need I will quickly find what you need. We are here to help make your professional dealings with PIPA as smooth as possible, count on us we are here to help! I can assure you that I will do everything possible to ensure the long term success of both your breeding and racing programs!
